Focus Compact Camera Case w/ Rain Cover

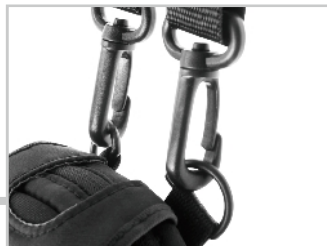

The Focus integrates features of many larger "pro" bags in a case designed to fit most compact cameras, even with extended zoom lenses. Use the included belt loop to attach the Focus to your waist or backpack harness, or sling it over your shoulder with the included strap.

A zippered compartment with accessory pocket features an additional Velcro safety flap to keep dust and sand out, with your camera and accessories safely inside. For harsh environments or rainy conditions, the Focus' pullout water-resistant weather cover insulates against rain, snow, dust, and sand.

Lightweight design, pro features, and an integrated weather cover make the Focus a perfect travel bag.

Feature:

- Zippered camera compartment with Velcro flap for added security
- Media card pocket
- Pullout water-resistant weather cover
- Shoulder strap included
- Stowaway strap buckles when hand carrying
