Highly Accurate & Responsive

Features photoelectric technology; the smoke detector responds to hazardous smoke quicker than traditional detectors. With an 85 dB alarm and app alert notification, the alarm ensures complete protection by giving you enough time to control the fire or safely escape.

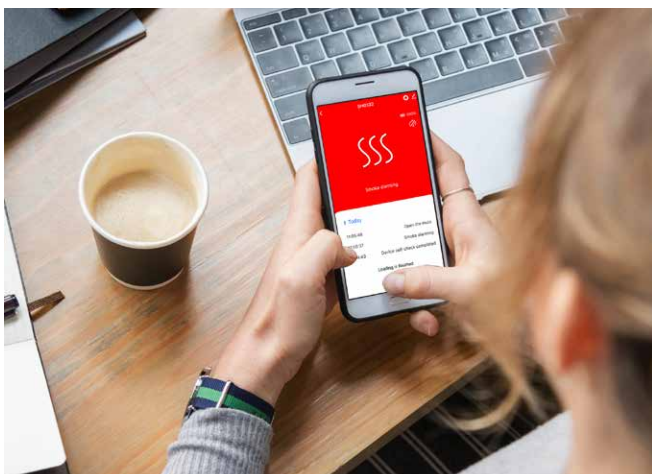

Self-Test & Silent Function

Comes with silent mode that allows you to avoid false alarms from cooking or steamy showers.

Low Battery Warning

Equipped with low-battery warning, which easily informs you when it's time to replace the battery.

Remote Monitor from Anywhere

Monitor your house from anywhere with your phone via the app, even if you're not at home.
