USB 2.0 Audio Adapter 5.1 Surround Sound

Art. No.: UA0053

This audio adapter includes a stereo headphone jack and an microphone jack. Easily transform 3.5 mm Stereo to USB connection with simulated 5.1 surround sound effect.

USB Audio Adapter 5.1 Channel

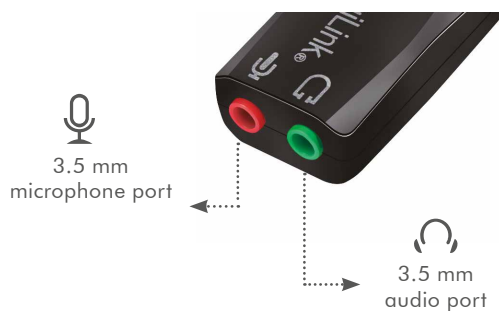

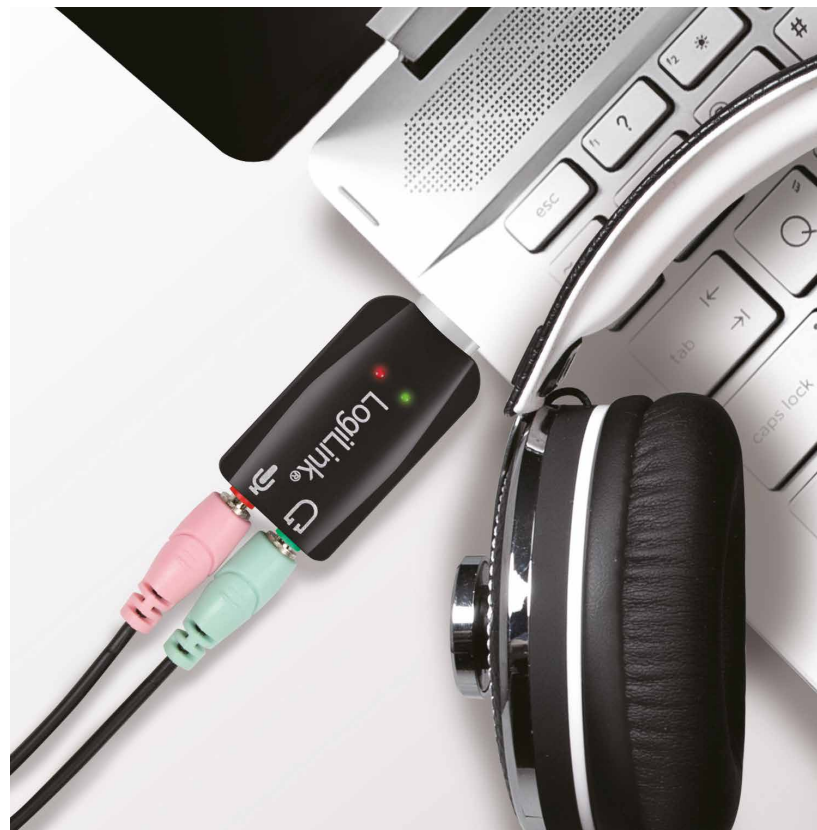

Converts a computer USB port into a sound card; enables USB connectivity with your existing 3.5 mm audio headphone, headsets, speakers or microphones.

USB Sound Card Replacement

Ideal for bypassing a faulty sound card and audio port.

Convenient to Use

Plug-and-play the audio adapter into your USB port, and then plug your headphones into the Adapter. No driver required. Compact size, easy to carry around.
