Create Your Best Selfie

The LED ring light is perfect for capturing flattering light. Lighting controls allows you to dim the brightness of the light and change the color temperature easily. It turns a dim room into a professional-looking environment with little effort.

Make Video Look Professional

The LED ring light delivers shadow-free lighting and striking circular catchlights in the eyes. It is an excellent tool when shooting video or portraits. Ideal for vloggers, makeup artists, and social influencers.

Capture the Best Angle

Equipped with a 360° rotatable metal ballhead; easily adjust the ring light vertically or horizontally. Create the best angle while streaming live.

Light Up Anytime, Anywhere

Attached the tripod to work as a table lamp for makeup or live streaming anywhere. Powered by USB from your laptop, computer, power bank or USB charger.

Specifications:
