2-in-1 Escape Tool

Provide window breakers and a seat belt cutter. Hard, sharp, double-sided tungsten steel tips for fast window breaking in an emergency. And also has a blade to cut the seat belt.

! Important Lifesaving Tip!

Break the nearest side window rather than the windshield or sunroof window, and focus on the four corners of the side window, then kick out the glass with your foot.

Non-Slip Handle

It is comfortable to grip and easy to handle, quickly at your disposal in case of emergency.

Place Within Reach

Compact size, can be installed in the vehicle if required. The mounting bracket does not only to hold the emergency tool firmly, but also easy to take out the emergency tool.
